Skipton is licensed under the Banking Supervision (Bailiwick of Guernsey) Law 2020, as amended. To help maintain service and quality, telephone calls may be recorded and monitored.

As a Licensed Bank in Guernsey, Skipton is a participant in the Guernsey Banking Deposit Compensation Scheme (the "Scheme") established by The Banking Deposit Compensation Scheme (Bailiwick of Guernsey) Ordinance, 2008 (the "Ordinance"). The following is a brief summary of the Scheme, but is not intended as a substitute for the actual wording of the Ordinance, a copy of which is available on request. • The Scheme only applies to "qualifying deposits", which broadly means deposits made by natural persons for their own benefit; with a few limited exceptions such as, for example, deposits made by trustees of retirement annuity trust schemes, the Scheme does not apply to companies, trusts, partnerships or charities. • The Scheme will provide compensation in the event that a Licensed Bank is unable to repay its depositors. Under normal circumstances payments will be made within 3 months of receipt of a valid claim form. • Compensation is limited to a maximum of £50,000 per individual claimant; in the case of a joint account each depositor would be entitled. • Total Scheme compensation in any five year period is limited to £100 million. If this limit was exceeded, compensation would be reduced pro rata. • The cap also means that compensation in respect of any one bank cannot exceed £100 million. • The amount payable may be reduced if the Bank has any contractual right of set-off against the account. The Scheme is entitled to recover compensation from any funds subsequently paid out by the Bank. • Further information and a leaflet about the scheme is available at: Website: [www.dcs.gg](http://www.dcs.gg) Telephone +44 (0) 1481 722756 Post: P.O.
